IMPORTANT: Plan to complete the admission requirements for the Photomedia Program during your freshman year. The minimum UW GPA for application to the Photomedia Program in the School of Art is 2.5. Most successful applicants have significantly higher GPAs.

INSTRUCTIONS and CHECKLIST

- Complete and submit the written application (see back).
- Include copies of unofficial transcripts from the UW and/or any other college/university you attended.
- Arrange 4 groups of images (as indicated below).
- Sign up for an interview if you have NOT had Rebecca or Ellen as instructors.

PORTFOLIO CONTENTS

- Submit 4 separate groups of work. We suggest submitting groups of images from assignments required in your Art 140 class. You could also use a grouping of images of your choice. Each group of images should have a common theme or visual idea. (4-8 images).

- Put each group into a separate folder with the assignment title or your own title for the project (a file folder works fine for 8.5x11in. prints). Then put all folders in an envelope or larger folder. Label with your name, address, telephone number and email address. Make sure to include this application (complete the other side) with your portfolio.

- IF YOU ARE A TRANSFER STUDENT AND/OR HAVE HAD OTHER ASSIGNMENTS: Submit a total of 4 groups of images. Label the work in each folder with the theme or assignment you were following. Each group of work should contain 4-8 images.
