GRADUATION CELEBRATION

COVID-19 UPDATE

We are facing a difficult situation and, until it is safe for us to gather in large groups, we will adhere to guidelines established by government, medical, and UW officials. In the meantime, we are looking at ways to safely celebrate the important moment of graduation for all the Art, Art History, and Design students who graduated at the end autumn 2019, winter 2020, and those of you who will complete degrees at the end of spring and summer 2020. Please also visit the UW Commencement site for updates on UW Commencement in Husky Stadium.
